“ Martha and I was very close in age about a 1 1/2 years apart. Growing up I always thought she was so pretty. She was such a happy, joy, and loving person. I can still hear her calling me by my nickname which I hated and she knew it. But all the Johnston called me by my nickname which Aunt MaryAnn named me. I will miss her and know that all of you are in our prayers and the Lord is now holding her hand. Remember death is not a period but a comma in the story of life.

“ Jessie, I just reviewed the video of Martha. Didn't remember that she and I shared a birthday. Always remember her smile and friendly personality. I was friend of her sister Dorothy, and spent a lot of time at your house on 2nd St (I think). Dorothy and I were in class of 59 BKHS. Hope you are well. I remember you very well also, but don't remember Kay, was she youngest?
