“ *Martha and I had our ups and downs but we never stayed mad at each other. We would speak our minds and go on. She loved her family and I was blessed that she considered me family still. She told me this every time I seen her. I will miss our visits and trips to town. We always had so much fun when we went. I know though she is in a better place. She will be watching over her loved ones. I love you Martha and will miss you.*
