“ I will never forget our long talks about the lord. I was first your neighbor, then your friend. I ll never forget our sign we was going to make when you got your money, " Go Suck Somewhere Else". We laughed so hard. You was a very intelligent person and you will be missed more than you know. R.I.P. Lerch

“ I remember Marty when he was a young child. I babysat for Carolyn . Marty, Monty and Michelle . Michelle was just a baby. I loved those kids and their mother. My first real babysitting job. I was so glad Carolyn entrusted me with her babies. Marty was my little helper. He was always so eager to help me do anything. My thoughts and prayers are with all of the family.
