“ *What wonderful memories I have of Gene and his family. Anytime we needed help, all we had to do is call Gene and he would come running. Such good neighbors and friends. I was very sad to see hear of the loss of Gene. I told Marcus and he was very saddened. He talked about his memories of growing up across the street from Gene and Mary. Winnie and Dude loved them and counted them as family. My love goes to you all.*

“ *Mary, Larry, Tommy, and all of our family and friends touched by Uncle Gene over the years:*

This feels like losing my father all over again. Uncle Gene kept the storytelling tradition alive after we lost my father, and a huge piece of ourselves has been taken away...but not forever. We are thinking about all of you a wish we could be there to share in the celebration of such an amazing life.

With all of our love,

Grant & Thea
