“ We were so sad to hear about Aunt Lucille's death. We always looked forward to her visits to New York, getting family together, and being updated with the happenings of all the young people. Thank you Aunt Lucille for leaving us with so many wonderful memories. May you rest in peace.

“ Mom was one-of-a-kind for sure! Over the years she overcame some very serious health conditions that may have stopped a less vigorous person. We were blessed to have been able to be with her for many happy times. The whole family will remember all the stories that she shared with us. We love and miss her already.

“ I will always remember Aunt Lucille and our many phone calls. I got to know her children, grandchildren and even great-grandchildren through her calls. She was never afraid to try new adventures. I can just "see" her camping, riding a sea-doo and travelling to see her children. I thank her for her many prayers for her nieces and nephews - I was proud to be one of them. love, Peg and my husband, Richard

“ I have many fond memories of my Aunt Lucille. She lived with us when she came from Guyana until she married Uncle Bob. I remember their wedding and the picture of the wedding party taken in the yard on Second Ave. She was very special to the family and sorely missed when you moved to Fla.
Our sympathy to your family.
