“ *Mary was as special as a person can become. We had an internet friendship but more than that we're 1st, cousins. We talked almost daily and shared our lives and our opinions. She was kind, thoughtful, caring, gentle soul. I loved her daily prayers and asked her to pray for me and my family many times. I will miss her but know that she is present with Our LORD. I will pray for all those who loved her, I share your grief. All my love.*

“ *Mary was so sweet and yes, she could be sassy. I loved her. Unfortunately I didn't see her much after we grew up. We were around each other quite a bit growing up. I loved her laugh. She was funny and so kind. She will be greatly missed. Love you Mary. Gone too soon.*

“ *Miss Mary had such a kind heart and gentle spirit with just the right amount of sass. When she would come and pick her grandson up from the preschool I directed, she never failed to stop by my office and check on me. We had a lot of conversations ranging from politics, weather to raising children. She was always willing to share her wisdom (and often brought gifts too) with me and I will always be thankful for her kindness and generosity.*
