“ *She would laugh so full-heartily as we shared stories about "back in our day"... she would absolutely glow. We miss and love you Momma.*

“ *I met Mary and we became great friends, in Moro, Ar. ,In the 3rd grade. She and I and Linda all were friends in school. We met Nita in the 5th grade, in Moro when she and her family moved from Indian Lake to Moro. We were all friends in our little foursome group until the eighth grade . then along came Shirley Braswell. We were close and I am really gonna miss, Mary, she and I were together until the 10th grade at T.A. Futrall in Marianna. We went to school in the 9th grade, in Brinkley High School. We all sure had an adventure, going to all those schools. I was the only one of our foursome, to graduate. I went to Lee Sr. high, and it wasn't the same without my girlfriends, that I was so close to. Mary you are with the Angels, and wrapped in their love. Save me a seat, will you? my mom and dad are there and my oldest sister and niece. hope you meet them. they are good people. Love you always, my sweet Angel. gonna miss you.!!!*
