“ *Mary Lou was a very special person in my life. She was daddy's secretary for years and She was the first person I would see every afternoon when I came home from school. I always loved her and Bob. Even after I moved away and came home to visit, I always looked for her at church and always got a hug. Very loving, wounder Christian woman. Always smiling, and I'm sure she is now as she is with her heavenly father.*

“ *Mary Lou was a special, Christian lady. She quietly influenced many. People enjoyed her coconut pies she brought to pot lucks. We are thankful that she is in the arms of Jesus this morning. George and Sandra Odom*
