“ *Dear Babies, You're all so special to me that I just don't know where to begin. I was so hoping to get to visit her one more time, but then I guess I had rather remember when we were laughing together. I am so sorry that I could not be at home for you but you all remain in my thoughts and prayers. And Damon just think about my big, old arms wrapped around you real tight with a heart full of from your Aunt Trudy! All my love Trudy Langley*
