“ Dear aunt Mary,  
You were there for me when I needed you the most. If your were still here today you would be so proud. For one im not sick anymore and I'm finally happy. Two I'm writting this to you now not wanting to kill myself. You were like my best friend that I'll never forget. Lastly You would be proud that I' will be graduating in 2020. But I am more proud of you. You are no longer sick. You are no longer hurting. You are safe and now at peace. And your memory will never fade.  
sincerely your nephew,
