“ Our love and sympathy to the family of Mary Jane. We have not been in touch the last few years, but Don certainly has fond memories of their working years together. He is in poor health now and is often confused but he remembered Mary Jane and recalled their days together.

“ To all of Mary Jane's family,

We are so sorry to hear of her passing. She has been a mover and shaker in our town for as long as I can remember. I am not out in town like I used to be or I would have known she wasn't in Bald Knob but.....she is missed greatly. Our hearts and prayers will be with you and for healing. God Bless all of you. My Dad, Ed Glenn, thought the world of LeRoy and Mary Jane....we miss them all.
