Tribute Wall

“ I love you granny with all my heart. I cant say no one loved you as much as I because Im sure others did. You meant more to me than anything. I was your one and only granddaughter. We shared more with each other than we shared with others. I remember summers of walmart, soap operas, and goldfish. Im so proud I brought you a beautiful great-granddaughter, Isabella Elizabeth Garcia. Granny, she doesnt know you that well but I will never let her forget you! Besides, granny, you were the greatest woman in my life. I love you granny, for your heart your strength and your faith! You gave all you had to those in need. Til the day you left us and went to god you gave your soul and everything you had. When we would go to bed, I would massage your feet and then we would say our "night night prayers!". We would say, " Now I lay me down to sleep, I pray my lord my soul to keep if i should die before I wake, I pray the lord my soul to take." You meant the world to me and you know that. I love you granny!
