“ *My thoughts and prayers are with the family during this difficult time. As a little girl, I always looked forward when we had to go to Mr. Carl's house for some CB radio something or other. Mrs. Juanita was always there ready to entertain with a smile on her face and a new game to play. There is no telling how many rounds of "crazy 8s" or "old maid" we played together. These are memories that I will always treasure. God Bless*

Your dear Mother was at Providence with my Mother. Over all these months I got to know "Juanita". She was such a sweet person all the time. She was a beautiful person to know & I am so sorry for all of you who are mourning. If I had known I would have come to the visitation. I am so sorry & God bless all of you.

“ I will always treasure my memories of Aunt Juanita. She has been part of my life since before I can remember. She always led the singing at our family Christmas celebrations and I can still hear her playing the piano at Providence Missionary Baptist Church. She was a wonderful woman, a great friend to my Mother (first her sister-in-law and then her sister-in-heart), a loving daughter, wife and Mother and friend to so many. We have been richly blessed by knowing her and will continue to be blessed with memories of her.
