Tony you know how much your mom and dad ment to my family. Uncle Nip and Aunt Lillian were friends as long as I can remember and it was though them my family became friends. The days of showing cows at the fair, my oldest son Kennth Black worked with your Dad at Eaton and talked alot about him. Kenneth really respected Red alot. I worked with your mom for years at the hospital. She was an amazing nurse, person and friend. Sorry I just foundout. I'm deeply sorry for your lost Tony. My heart is breaking but know she is wih our savior and all the ones she loved than were waiting for her homecoming!

“ She was an excellent nurse, a rare combination of caring and competency. Catherine always pitched-in and was involved fully in whatever she was doing. She served in leadership with the student LPN association, paying it forward to raise the next generation of nurses. She traveled with her friends to various places and could be counted on to bring fun to any occasion. What a great example of a life well-lived. Patty Wilson RN
