“ I am really going to miss The Tuckers.  
Mary Lee would call when she needed help or just wanted someone to talk to. She may not of been able to hear, but we had good conversations with her using her board.  
We talked about her years working with my grandma in the cafeteria and things she and Jerry had done together over the years .  
They loved Fish from the Bayou market , chicken from Harps and anything Renee cooked and brought them. Glad they are together again.
