“ I can remember when I got into Jr. High being an aid for his home room teacher in elementary. He was always just the sweetest guy, and he had the biggest heart and smile I've ever seen. At first the other kids in that class wouldn't talk to me because I was a few years ahead of them in school, but he came right up and started talking to me, and I've remembered him ever since! He messaged me a few months ago and we messaged back and forth for a few hours. I have lived out of state for several years now and it was so nice to chat with someone from home. I am so sorry to hear he's passed. My thoughts and prayers for peace and comfort go out to everybody who knew and loved him. He was one of a kind, and somebody who always seemed to provide a smile when I needed one. ❤️
