“ *It was just a shock to hear the news. I still can't believe it. She was so nice and kind and the time we lived together is still clear in my mind. I am sorry that I can't go to her funeral and see her. But I will pray for her and your family. God will bless such a kind person like her. I miss her very much and love her.*

“ *Barbara & family*
I'm sorry to learn of the passing of your mother. I'm really sorry the last few weeks were so difficult for her and for you all. You were fortunate to have such a fine mother. May God bless and comfort you.
Love
Dana
