“ *Brenda and Buddy Pruitt are so sad to read of the passing of Maurice.. We know he will be missed by Shirley and the girls for they loved him and he loved them. We know he was always there for them. We remember the good times we had with you and Maurice during our younger days. I do know Maurice could eat more Mexican food at Mexico Chiquita than any one else I have ever known. We sure did enjoy going as often as we could. He has been a very good friend for the last 60 years and we will miss him also..May the Lord bless you. God is good.*
