“ I use to take care of Melanie years ago when I worked at White River area on agency! Melanie was one of a kind! Even tho she was fighting MS she would still laugh & joke around ! Melanie and I had many long conversations that would end with us crying or laughing so hard we couldn't breathe. The first time I met Melanie we bonded. She was very picky about just letting anyone come take care of her and would often ask me if I was going to be there the next day. She will be missed so much! I know she is with her son & mom in heaven looking down. To her family: y'all will be in my thoughts & prayers ! Love y'all!! 🐞🐞🐞. Melanie loved lady bugs. 🐞
