“ *Phyllis, my heart goes out to you and to the rest of your family. Michael will be so missed by many. He was such a great kid. He was one of those special kids that a teacher is lucky enough to get every once in a great while. He had the biggest heart and loved everyone. I am so grateful that I was able to be his teacher in 3rd grade and that he and Garrett became such close friends. If there is anything at all that I can do, please let me know. Love and prayers to you all.*
