“ We watched a lot of NASCAR races together . Spent many a great times at the lake . I know exactly where I was at when Dale Earnhardt had his fatal crash . I was at Mike’s house watching the race .  
It’s funny we have known each other for most of our lives , but he has only known what my last name is for the last ten years . He would always call me Barger and I finally set him straight and told him my name is Barker with a K . We laughed about that ! We also logged many a nautical miles on his party barge ! Will miss him greatly!
