“ *Dear Sherley and family, So sorry to learn of your loss and our family sends our deepest sympathy at this sad time. I spent many hours at the Blacksmith Shop in Sheridan watching him play video games. I always accused him of getting all those quarters from Harold's station or the \$20 bills from Lala! He would play video games for hours. Lala now welcomes him home where he will wait for each of you. Seek God in all things and He will meet your every need. Prayers for you in the days and weeks ahead. The E. Lowe Stone family

“ I am so sorry to hear of your loss. My thoughts & prayers are with you at this time. Scott was such a sweet person. He helped with my oxygen supplies when I visited my sister. Then when her husband became ill Scott took care of his needs. I knew as long as Scott was taking care of things my oxygen would be there set up & ready to go as soon as I arrived. I appreciated it I will miss him so I know that you & his family will miss him. I will keep all of you in my prayers as I know my sister, Dolores King will.
Prayerfully yours, Trudy Langley
