“ *We had some very good times with Mike. We worshiped together. He always encouraged me. We even took a trip to Washington, DC with him and Becky. Knowing Mike was a blessing to us. He liked to share what they grew with us, and we counted it a blessing. They let us know that as long as they had a garden we had a garden. Our last communication with Mike assured him that we loved him and were here for him. We are very sad about his death.*
