“ Michael was always such a sweetheart, he never met a stranger. I have many fond memories that we shared & still remember them just like yesterday even now many many years later. When first he got his beloved "Shadow" he would ride with us all through town. And our afternoon walks we would take with Shadow at the middle school access road; where Shadow would walk us instead of the other way around! There are so many more cherished memories we shared and he will be greatly missed...I know he is up in Heaven looking down on us with that huge larger than life smile and probably wearing a LA hat! Rest in peace buddy! Melissa, Mr. & Mrs. Waddle you all will continue to be in my thoughts and prayers!

“ Oh, Judy! I cannot even fathom the pain you are feeling right now. I had no idea this was your precious son until I read the obituary. I missed seeing you and reminiscing with you at our last reunion, so you have been in my thoughts the past year. Now you will be in my prayers. May God give you and your family the peace that passes all understanding. Love, Becky

“ Dear Bill, Judy, and Melissa  
I just wanted to extend my deepest and most heartfelt sympathy to you all during this sad time. In the times I knew Michael whether playing basketball or when he came by my office or just seeing him out somewhere, he was very soft spoken and always had a smile. That is how I will remember him because he was so respectful when I was around him . Again with much sadness, I will keep you all in my prayers and if I can be of any help to you, please let me know.

Sincerely, Allen

“ Our thoughts and prayers go out to you at this difficult time. As parents our greatest fear is having our children go before we do. No matter their age, they are still our children in our eyes. May Jesus Christ bring you comfort in the future days.
