Please accept our deepest sympathy and extend it to other members of the family. And, if we can be of any hlp to you in any way, please call on us. God Bless.

“ I only met Mikey briefly a year ago at Camp David, but his kind spirit and love of life made a huge impression on me. He showed himself to be a man who loved others and who demonstrated graciousness and compassion to all around him and I feel blessed to have met him and to be able to call him my brother in Christ.

“ While I was at Harding, I was a roommate to Michael for a year and was able to witness his caring and compassionate attitude to all that he knew. He was able to relate to people in a way that many did not make the effort to do so. He had an eye and an ear for those who were hurting and would be a friend to those who needed one. It saddens me to hear of his passing, but his entrance into heaven must be a glorious one. To the family, may the Lord give you much grace during your time of remembrance.
