“ Dear Susan, Edward, H.G. Jr., & all of the Garrett family; I'm sorry that I didn't hear of Mrs. Garrett's passing in time for us to pay our respects in person. Mr. & Mrs. Garrett, both, were so kind to us when they asked us to work on their home. Each of them was a joy to be around. We will always remember them as friends. Prayers & Deepest Sympathy; John & Jane Sibley

“ Harold and Tom, It was just by chance that I was looking on the Halifax Co. web site and learned of your mothers death. I wanted to express my condolences and tell you that I have a picture of the Williams family taken in 1906, depicting George, Iowa,

Raymond, Stella, Ralph, & Roger, taken just before they left Floyd Co. on a week long wagon trip to Halifax Co., that I can get to you if you wish.
