“ *So many precious memories I treasure of staying with Mildred And "Grandma" Gibson when I was a young girl. They would often take me home after church on Sunday morning and bring me back that night. Of course the weeks I spent with them when Mother was gone was such a special time for me. Mildred was always a wonderful Christian example to everyone around her and someone I looked up to and admired.*

We know she is at home with the Lord she loved and family she treasured. Remembering how she loved to sing, I know she will have a special place in the Heavenly choir, right beside her sisters !!!

Thoughts and prayers are with all of you as you say goodbye to this special lady.

*With Love,
Mildred Ann*
