“ I finally found my grandpa and he’s gone. This is so devastating.... I was Michael’s daughter that he never got to meet before he passed. I wish I would of been able to meet my grandpa but he sounds like a great man

“ Joan E. (Mom), God knows how much you loved and still love Wayne today. He has forever etched a place in you're heart that can only be filled with his love and the cherished memories you have of him. I pray that you know how blessed you are to have had the time you had to hold him, give him hugs, kisses and to let him know how much you loved him as the horrible disease of Alzheimer's consumed his body... I admire your strength Mom. God says our days are numbered and we do not know when that day will come. We have to savor every second we have with our loved ones, because we never know when that time will come. Praying for you as you go through the loss of your friend & loving husband, my Step Father the man that was so good to my Mother... I LOVE YOU...

“ Joan,  
We really thought a lot of Milford and of course you. I know you will miss him as I do Bro Day, but they are having a time of their lives with all the other members of their families that have gone on. With no pains, heart troubles or sugar problems.  
One day soon we'll get to rejoice with them. We will keep you in Our prayers, we love you so much.  
With Love,  
Sister Betty Day and Jenny Collins
