“ *Bonnie and family,*

So sorry for the loss of your sweet grandmother. She was so blessed to have you and the others who visited and took care of her while she was at home and in the nursing home. I remember and treasure all the visits with laughter at her home after you and I became friends. I would miss seeing her on her porch or outside when I go by her house after she had to go to the nursing home. I know she is with her savior and no more suffering. May God comfort you and the family during this time.

Love all of you,

Brenda Trickey
