“ *Sam will be someone I never forget. Whether we were at school, Wal Mart, a restaurant, no matter where, he always had a smile and a hug for me and I loved it. The way he would say "ah Mrs Tresa" when I would be trying to get a point across or get onto to him about something would always make me laugh. He would always say, "I'll bring you an angel" because he knew I love and collect angels. Now Sam can be my own angel smiling down on me from heaven. The first thing Sam would always mention would be his boys when I would see him. He loved his kids. To the family, I'm so sorry you lost such a special person in your life. May God bring you the peace and comfort that you need and can only come from Him. Just remember to always look to God for those things. I love you Sam and I will get my hugs again some day. See you in heaven*
