“ I had the opportunity to work with Modene while working at Pyeatt and Co. She was always a positive influence and a friend to all she worked with. She had a very sweet smile and made everyone feel they were needed. My deepest sympathy to you all. I know she left a great legacy for you all to follow. So sorry for your loss. Anita Duncan

“ Mrs Modene was such a sweet Lady. She very patiently helped my brother and myself change the ownership of the 60 or so bonds . This was in 1993 when it all had to be hand written. She smiled the whole time. Will always remember her.

“ So sad to hear about Modene passing away. She was a wonderful lady and I know she will be missed. I worked with Modene at First National Bank from 1967 to 1984 and she was wonderfully respected by all the officers and employees of the bank, as well as all the many customers she served. Modene was a wonderful influence on me, and she played a big part in helping me in my banking career. For that I am very thankful. My sincere condolences and prayers to all the family. May God bless you all, Wendell Nier

“ I worked with Modene at First National Bank from 1974 to 1976. She was such a sweet, godly woman. She reminded me of my own sweet Mama. I grew to love her very quickly and she was such a wonderful influence for the Lord. She was respected and loved by all who knew her. May her godly influence continue to live on in her family and friends and may the peace and comfort of Christ dwell in your hearts. God bless you all!

“ So saddened to see this, but can just imagine her seeing Brother Buddy in heaven and so many others. Tim and I just loved her and all her family! Our prayers are with you all! May God comfort your hearts and wrap His arms around all of you! I will never forget her kissing Tim that Sunday morning and then looked at me and said it was just like she was kissing one of her sons!!! So many sweet times with all the South Heights folks!

Just realized you may not recognize my name. I should have signed Judy Davis McCormick, daughter of Wendell Faborn and Elva Jean Davis.
