“ You will be missed, but we all know that you are with our Lord, that you spoke of on a daily basis. You were the first smile I saw when I walked into church. The back roll will never be the same. Thank you for being that God fearing woman that we all looked up to. Until we meet in heaven Rest In Peace Mona.

“ *I really didn't get to know Mona until she had her eye surgery and I
was allowed to put the drops in her eyes. I was already packed at
the time, ready to leave Searcy, but had I got to know her earlier I
would have never left. We had such a good time laughing and
telling each other our family secrets. I had no idea she could be so
funny. I loved her dearly and missed her so much after I left. She
will always be one of my fondest memories.*
