“ I am Mona's Aunt Tammy. When Mona was first born the doctors said she wouldn't live past a few months. God let Mona live nearly 61 years.

When she was young she had her challenges but she could say such cute things.

Mona has a very good singer. My favorite songs she could sing were "Amazing Grace" and "You Light Up My Life". She knew every word.

I spent two weeks in Arkansas in August. I have wonderful memories with her, going to Sonic and going on bumper boats to name a couple.

I know without a doubt that Mona is in a much better place. She is having a awesome time with Jesus and seeing loved ones who went before her.

Mona will most definitely be missed.

Love ya, Mona.
