“ *To the Richards-Whitley families:  
My sincere condolences to all of you. Montine was my mother's (Helen (Waller) Gray) cousin. Over the years she was a source of love and fun when we had a chance to get together for family events. I always thought she was a beautiful and fascinating woman. I will be thinking of and praying for you to have the strength and comfort that only God can provide.

“ *My heart is sad for the entire Whitley family. I was priviledged to have her as my mother-in-law. The grace in which she loved the Lord and her family is admirable. What an awesome legacy that she's gifted to my children, as well as the other surviving family members.  
My deepest sympathy. Teresa*
