“ Dear 'Mo"! It was never quite 'the show' until I saw you in the audience or in line for your ticket. I then got that nervous flutter in my stomach. A good thing! You being in the arena was very important to me. You had your favorite seat at the High School, center-stage right, on the aisle. At the Prizery, again, stage right, at the top. After each show you made sure you connected with me for praise, support, analysis...and yes, ever constructive criticism:-) I ALWAYS listened. You are and will always be one of the greats in every aspect of theater. You knew what to do, how to do it and what would make the audience appreciate it. Always, you made me feel like I did something right and something good. I looked for that in each and every show I did. Your opinion mattered so much to me. Mo, I know you will be with me in April for BeeHive. I'll be looking for your input...you and Kenneth. We'll chat after opening night:-) No doubt you and Dot and Kenneth are giving the heavenly choir a run...a theatrical run! Thank You...for everything. I will miss you! Break A Leg!!!
With love and admiration,
Vicky

“ Many nice memories of Ms Mo through the years. She was one of the first people I met when I moved here in 1981. She has been a good friend to my mother in law and will be missed. Prayers to the family.

“ I am so very sorry for your loss. I first got to know Moe when I became involved with Halifax County Little Theatre in 1976. She was on the Board of Directors then and led many meetings. Over the years, Moe stayed a faithful patron of Little Theatre and attended every show that she could, almost every single one. I will miss her presence at the shows and her friendly greetings.
