“ *Billy and family. So sorry to hear about Murl. There will never be another like him. Just good as gold and that smile that put a sparkle in those blue eyes. Carry on like he would want you to do. God bless you and your family. Josh, Deanna, Johnny, and Faye Reid.*

“ *Murl was a great man and will be truly missed. Thinking back in my childhood in the body shop with Murl and Paps there were great memories. He wouldn't ever tell on me when he caught me sneaking sugar cubes by the coffee pot over 20 years ago. He was a big part of my family's life! Gone but never forgotten rest in peace you will be missed! Love Always
