Dear Jimmy and family,

Words are so imperfect to describe our feelings of sadness when we heard that Nancy had passed. We struggle to make sense of any loss but especially when it is someone as nice as Nancy. We know the hurt in your hearts is deep and beyond description. Her passing will touch many and has touched us.

It will hurt our hearts to think of her as "gone" when we carry so many fond memories of her. We are blessed to have memories of the time she helped plan our wedding.

We are told that "Love gives more than death can take" but losing someone who's loved very much as a family member, is a hardest thing we have to face. Nancy lived her life well and she would want people to do the same in her absence. Nancy enriched lives in a way time can never erase. Your children and grandchildren will be living memories of Nancy.

So, we pray you dwell on the love and warm thoughts of all you shared with Nancy and may it bring you comfort and peace for the days ahead.

May the Lord bless you tenderly as you honor the life of Nancy. God did not take Nancy from life, God received Nancy into life everlasting.

You, her family, were the joy of her life. May you always sense Nancy's love around you. We know you will miss Nancy from this day forward, you will find her in your heart of memories.

We all need to "heal" the heart when it is broken and we need to cast our burden on the Lord because He does care for us. ...Psalms 55:22. We send our love and share in your sorrow.

“ Red, I am so sorry that you have lost your best friend and Sweetheart. Sorry that the children and grandchildren will not see her for a while. We have hope in the Lord to be with her again. She was a wonderful example of a Christ follower. She was a loving and caring friend. We in the class of EHS 1961 will miss her at the fall mini dinners in El Dorado. I am blessed to have known her. Thank you for posting the pictures of her life. May God of all comfort hold you all.
