“ I met Nancy many, many years ago through her daughter and my friend, Lourie. I will always remember how Nancy loved having people around her and having a good time. She was always ready to have a good laugh! My heart and prayers go out to all of her family and friends at this time. I know that it is a hard thing to let someone go, but we have the promise of seeing her again in a much better place!God Bless.

“ Who could ever forget Aunt Nancy? She had a laugh that will forever last in any memory and a heart of gold. She would be the first to help anyone in need. I remember all of the get togethers we had. Between Aunt Nancy, my mother (Annette) and Aunt Betty (Beeman) they created the life of the party. She will be missed greatly. The world has lost another irreplaceable woman.

“ Nancy was one of the sweetest people I know, met her years ago thru Lourie, used to stay at her house almost as much as I did my own, she always made Red Beans and Rice and it was delicious. “ Nansea or just plain Nan was always the life of our get to gethers. That chuckle kind of laugh was one of a kind. My sincere condolences to the family. She is now no longer suffering and that has to be a consolation as hard as that is to understand. But it could have been worse.....
