“ *Aunt Kay has passed on and “Don’t It Make My Brown Eyes Blue.” I’ll always remember the Christmas she gave me that single. I wore it out. Another great music related memory—her and Uncle Curtis taking me to see Chuck Berry live. And recent Thanksgivings with her making Nathan’s fav deviled eggs! She will be remembered and missed. Godspeed Hon.*

I know you both had plans to spend more time with your son’s family-especially the wonderful grandchildren of whom you were both so proud. I pray, Curtis, that you find peace in remembering your wonderful times together. Blessings and my sympathy to you and your family. Marilyn Brewer*
