“ *Dear Curtis - thought about you today and googled you and found that your lovely Nell recently went to be with her Lord. Don't know if you remember me or not, but my son Chuck and I went to Morse Ave and Winding Way when you preached there. We also had Thanksgiving dinner with you several times - that was such fun and I have always appreciated how you and Nell kind of looked after me during that time. Have thought of you two often over the years. May God bless you at this time. Would love to hear from you.*
