“ We were deeply saddened when we were told about Neva's death. Your mom was a wonderful Christain woman, who befriended and was loved by many. Our two children, Brooke and Hunter, both have expressed sadness when hearing of her death, because your mom treated them with love and kindness when they were young and visiting in their grandparent's home at Oak Level. Although we are unable to be with you during this difficult time, please know you are all in our prayers and thoughts. We loved Neva, and she will be missed by all whose lives she touched.
I know I too am a better person because of the influence your mom had on me as I grew up in Oak Level.
With our deepest sympathy,
Scooter,Linda,Brooke&Hunter
