

Nicole Ann Golleher

December 14, 1971 - November 17, 2016

Nicole Ann Golleher was born December 14, 1971, in Little Rock, Arkansas. She passed in Searcy, Arkansas, on November 17, 2016 after battling a cancer that took the vibrant woman we all knew. She is survived by her parents, James and Sandra Golleher, her brother and sister-in-law, Jamie and Stephanie Golleher, and niece and nephew, Skylar and Tripp Golleher all of Little Rock. Nicole attended and graduated from Northern Arizona University in Flagstaff, Arizona. She did graduate work at the University of Utah and MIT. After graduating she worked at the Institute at Deer Valley. Among her many duties were coordinating accommodations and travel for the Sundance Film Festival. In her early years, she worked with the Wilhelmina Modeling Agency and was also a competitive tennis player ranked in the Southern United States. Her passion and love were dogs. She created Dog Star Barkery. This was an organic dog treat business in which she created recipes to promote the health of the animal. The treats were distributed in several states across the country. She continued her creativity with dogs, especially her own, to advance their betterment and longevity. With her continuation of doing for others, she had just begun and working and volunteering with the West Palm Beach Library. Her desire was to continue to assist others in life.

“ I am devastated to learn about Nicole today. A few years ago when she was in a "bad place" we chatted quite a bit. I really admired her strength and beauty for animals and life. I will miss our conversations. I wish she had contacted me, but I know she was showered with love. Rest In Peace, you are a beautiful caring woman . Dolores Paddock

“ Nicole was the only TRUE free spirit I have ever known. She would walk into my house when we were in High School, and say to my grandmother, " Hey Mama" and even though the Alzheimer's , my grandmother remembered this with a smile till her dying day. My thoughts and prayers are with your family. Nicole, rest in peace, my friend, and may you finally be able to show the Angel wings that you weren't allowed to wear here on earth, although you were amongst them.
