“ Thinking of you all and praying God's peace for each of you and that you will remember the good times. I have so many good memories of growing up and being at Aunt Nina's house. Sitting out under the trees out back, running thru the garden, going to the cotton fields with her, her yummy roast on Sunday, tricking me into eating squirrel-telling me it was chicken and many more!! She has been the glue that kept the Sellers family together. We will truly miss her but we rejoice with you all cause she has met her Great Maker and is receiving her rewards for all the blessings she gave people. Love you all!!

“ Thinking of you and your family. Aunt Nina and Uncle Conway developed alot of my core foundations. I learned so much from her that it would be truly impossible for me to list it all now. Every day I am reminded of what she told me, what she showed me, and just how to live. She was and continues to be my role model. I will never forget her and she will live in my heart as I jump for joy that she is dancing with my father in heaven today!
