“ To all the Cook family down south-wanted to send our condolences from the extended Cook family in the north. Douglas, Nova Jo's eldest brother, passed away July 13th. They now are enjoying paradise together! What an amazing blessing! Although we are blessed to have our loved ones as long as we have, we miss them dearly when they are no longer with us. Doug and Nova Jo shared their love of gardening-I have a feeling they had a lot of practice down on the farm when they were young, as well as their love of sports. :) Doug was a great man and shared many memories with his family here of all of his siblings and family from the south. We always enjoyed hearing them. Our thoughts and prayers are with you all!

“ Sorry to hear that Uncle Dougs sister has passed away so soon after him. This world has lost some really good people lately. We were really blessed to have had them in our lives for so many years. They made all of our lives so much richer. Our prayers will be with you.

“ I am so sad to hear about the loss of Aunt Nova Jo. She was such a very loving and caring person, and a very special aunt. I remember her laugh, which had a way of touching your insides and lighting up the entire room. I know she will be missed by her family, but I am sure the family reunion above was a joyous one.

Cousin Angie, you are loved... My thoughts and prayers are with you and your family.

“ We are so very saddened to hear of Aunt Nova Jo's passing. She was a special lady with a smile and happy disposition and had a way to make us both feel at ease and at home. The Cook reunions are a special memory that gave us a taste of the graciousness of the South and the value of the closeness of family, and she was a very big part of it all.

“ Angie,

I'm so sorry to hear of Nova Jo's passing. I'm sure you miss her terribly already.

I have fond memories of sharing time together at our houses and therefore being around your mom. And then after we were gone from our childhood homes she became part of the family. Mother has kept me up to date and therefore I know that she has been a wonderful addition to our family as I knew she would be. I know Mother has especially enjoyed this additional association.

My thoughts and prayers are with you and your family.

“ Dear Cousin Angie & Family,
Words cannot express how sorry I am to hear of your Mom's passing from this world. My sister just called with the sad news. My entire family loved her so much-as she loved us. I am sorry I have not been to visit her recently. She was a “Steel Magnolia” if there ever was one.
My family was so blessed to have been included in many family celebrations up on the hill. I remember the Easter ones the best. My childhood was so enriched by having known her. Please know she will live forever in all the hearts of the children of Ed & Mildred Flowers. We will always remember her & will love her forever.
My email is given here, I would love to hear from you. I will keep you all in my prayers as you face this world without her. And as the Bible says in Philippians 1:3; I will thank my God upon every remembrance of her.

Love you always, Your Cousin,
Carolyn Flowers Tucker
