“ Dear Connie, Mike, Mrs. Chandler & all family & friends of Ola;

I am sorry that Jane & I could not attend Ola's service. We had a congestive flu & it's taken over 2 wks. to get over.

It was a privilege to have known her. She was very opinionated & a joy to listen to. She tried to encourage my mother to be more independent & active, but mama doesn't respond well. We will miss her & be praying for all of you.
