“ *In Loving Memory to My Special Aunt*

*My Aunt Ola Mae Griffis Sutter was one of the most amazing people. She would call me and we would chat for at least an hour that is how I keep up with the family over the years because I knew she also contacted all my cousins. She loved all of us and she always lets us know that. I think she felt it was her job after all of her sisters and brothers were gone to try and keep the family together. Rest in Peace in Gods Hands.*

*Love you Always*
