

Oral Columbus (Bobby) Bolding Jr.

January 9, 1954 - June 27, 2020

Oral Columbus (Bobby) Bolding, Jr., 66 of Providence, Ark passed away June 27, 2020. He knew how to live each day to its fullest. He was born on January 9, 1954 in Heber Springs, Ark and is preceded in death by his father, Oral Columbus Bolding, Sr.

Survivors include his wife, Debbie Worley Bolding; daughter, Codie Loyd; step son, Greg Worley; mother, Patricia Bolding, sisters, Rebecca Bolding Starks and Stephanie Bolding Martin; brother, Michael Bolding and two grandchildren, Jagger and Gunner Loyd.

Bobby graduated from Bald Knob High School in 1972 where he excelled in all sports. He attended Arkansas State University and was a brother of Pi Kappa Alpha Fraternity. After college, he began his career working alongside his dad rebuilding motors and managing the auto parts business. He was an outdoorsman who enjoyed hunting, riding four wheelers, fishing and perfecting his lawn. Being the top chef especially during weekly fish fry's and telling stories always put a smile on his face. The bond Bobby and his father-in-law shared with daily activities was one of a kind.

Bobby never met a stranger and would also be the family's entertainment. He could elicit laughter at most any time with an understatement. There was never a dull moment with him around! At Bobby's request there will be no

service. There will be a private family celebration of Bobby's life at a later date. Arrangements entrusted to Powell Funeral Home, Bald Knob-Judsonia.

“ It’s been some time now. Years actually, since Papal Bob passed. I remember every detail of the day you passed. My heart broke. Not only where you an amazing grandpa to me you where an amazing dad to my mom. I have not one bad memory with you. Every single one of them is a happy one. When I broke my leg you were right there with me. Every step of the journey. You bought me my first gun and taught me all the safety tips and tricks. You made sure I never ever felt left out even tho I wasn’t your blood. Nana didn’t make a lot of good decisions but one of them was marrying you. You were an absolute blessing papal. Every time I see a OCB package I think of you and how you had those papers in your kitchen. The times spent at your house were core happy memories. I didn’t get to say goodbye or even talk to you before you passed and I hate that. You sir where one hell of a man and made an amazing impact on everyone you ever met. I miss you bunches.

“ I was very fortunate to meet Mr. OC as we called him. I lived next door to him for over 5 years. He and Mrs. Debbie treated me from day one like I was family. I think about him alot and miss him dearly. "A friend found is never a friend lost."

“ I met OC when I worked at Ciba Chemicals. He would stop by my office or I would swing by his office and just talk, usually about not much, but it was always a joy. I don't know anyone that didn't get along with him. He will be missed by many. My prayers go out this his family.

“ Bobby was my fraternity big brother at ASU. We had many great times together. One time I will never forget is 4 of us going to Louisiana Tech for the last football game of the year. Bobby was driving and, of course, got pulled over after the game in Louisiana for speeding. We literally had to empty our pockets of all our cash on the hood of the police car in order to avoid jail. Absolutely true. A memory of a lifetime, 45 years ago. Rest In Peace my good friend. Matt Parker. Jonesboro.

“ Pat, Stephanie, Becky and Michael— love to you remembering Bobby and mourning his early loss. Thinking of you with love. As Ziba said, it's incredible to lose the first Water Tank Hill kid from our generation. It seems only yesterday he was my escort in Homecoming ceremony our senior year.

So sorry for your loss,

“ Oc and I met on the airgun forums 7 or 8 years ago.
Our first conversation about airguns quickly devolved into 2 old guys complaining that "kids these days don't know how to use a parts catalog ".
Always willing to help...but not afraid to ask for it either....
A great friend that I never met..(in person)
These are the things I remember about this great guy.

Be well my brother.

“ I also met OC through the GTA. He offered to help fix my airgun and fortunately for me he lived close by so I was able to actually meet him. We developed a close friendship. We went to the Malvern airgun show together a few times. Spent hours shooting in his backyard. Also spent hours talking about the world and life experiences. When he moved back to central AR, we didn't see each other much but I visited a few times and we talked and texted a lot. He helped me with some other projects not airgun related. He had a lot of knowledge and gladly shared. I will miss our talks and get-togethers. A wonderful guy who will truly be missed. RIP. My condolences to Debbie and family.

“ I met OC on the internet through one of our hobbies, shooting. I never met him in person, but always wanted to if time and distance ever allowed. We had years talking and chatting. He was always willing to help. It seemed as if he was truly happy landing out in the country in the place of his dreams for retirement. You will be missed buddy. Our thoughts and prayers are with his family during this quick and tragic loss.

“ Bobby was ther when I first came to Arkansas St. for a tour of the school the summer after high school in 1973. Bobby turned out to be one of the main reasons I attended Arkansas St. and became a brother of Pi Kappa Alpha Fraternity. I was active in the fraternity with Bobby for the first two years at school and have great memories of the time. From what I have read on tribute wall Bobby was a good man that lead a good life. I am honored to have known him. My prayers for the Boldings in this trying time.

I am so sorry to hear this about Bobby. He was one of our 1972 classmates and was a lot of fun to be around. I haven’t seen him in years but I know he brought joy to those around him. I know his Dad welcomed him with open arms. My prayers and thoughts are with all of his family! Love to all of the Bolding family!

“ It is just heartbreaking to think of Bobby passing. My thoughts and prayers go out to his family and loved ones. He was a well-loved classmate in the class of ‘72 and he is included in my special memories of those years growing up. I haven’t seen him in a long time but it sounds like he was a great guy who was so loved by those around him. May he rest peacefully and may you all have comfort sharing the good memories of him.

“ Codie,
It was apparent anytime he was around you that he loved you dearly. He was so proud of you and of his sweet grandsons. He was always so kind and was such a great cook! Praying for you guys in the coming days. It won't be easy, but you are one of the strongest people I know. I have no doubts you got that trait from him. We love you and are here if you need us!
