“ I am not sure if anyone who reads this will know him or of me even. I mean no harm it is my belief though that he is most definitely my biological father. He is the only Orvel that that fits his name and date of birth and last four of his ss#. I have been searching for this man since I was about 15 years old, and until now I have not found anyone who completely fit his id info. I need to see a picture of him I have his image burned in my head and I would know for sure. I also believe that I may have possibly a few siblings an aunts and I sure others, although I haven't scene anyone leave messages. I would be so appreciative if anyone whom sees this message to please please countact me asap, I live in Ca. where he served in the army and was married to my mother Candace lloydeen Baker/smith/Blake; I m so upset that to finally find him it would be just five days shy of Jan. 9th. I have been searching like crazy for him especially these last few months I kept telling my husband I felt like I was running out of time little did I know.... I need someone to answer my desperate cry for answers I am so in shock and pray for the family for faith and grace to please forgive me if I have unintentionally intruded on someone elses memorial but somehow I feel in my heart that I am not. I just want to learn about him please and I send all my condolenses to anyone who may be suffering a loss see this was getting more important that I find him because I just lost my mother early Candace Blake 51 yrs old May 12th 2011 she left behind me my 18 yr old sister, 15 yr. sister, and 13 yr old brother, and Orvel Smith and her have 3 grandchildren Tyler 13yrs., Hailey 11 yrs. and Dean whom was born and died June 15th 2011 I need someone to contact me at (209)589-0567 or (209)573-1605

“ I have not seen Butch since we were in the 8th grade but he is that one person in my life that I will never forget. He was one of a kind and had a beautiful voice.
