We didn't even know each other until I was 16. And then it was for a short visit, and we got to know each other. We lost touch until our father passed. And we had to get to know each other. So we took a trip just us back to Michigan for a week. Best time ever I had a sister. I was so lucky, but there was never enough time. I'm going to miss our hour-long phone calls and the extensive sister advice (like it or not). Heaven got an Angel, but you took part of my heart with you.
