“ Don and Lauren, Pam was the most beautiful woman with cancer I have ever known. She always looked so amazingly beautiful it was hard to see her struggle of fighting the cancer. Now she is well and just as beautiful as ever in heaven and I will remember her that way always. I will always treasure our trip to Duke and hitting the deer that day. Pam was so calm when she pointed out the deer to me that day and we laughed about it the rest of the trip. It will be one of those memories I will treasure in my heart.
